24th harmonic	:	0 Deg 40 Min
5th harmonic	:	3 Deg 12 Min
7th harmonic	:	2 Deg 17 Min
9th harmonic	:	1 Deg 47 Min
semisextile	:	1 Deg 20 Min

*Sun 16th harmonic (7/16) Neptune, very strong (Orb: 0 Deg 04 Min):*

You have the capacity to follow a dream to realization. Your personal dreams are strong and clear. You are not destined to simply meet your needs and have a secure life. Deep inside, you are a dreamer with vision even though others may not recognize this. You must tread carefully and take practical steps to achieve your dreams. Without proper care, you can lose sight of what is really important to you and follow someone else's dream and this will ultimately leave you feeling depressed. A big challenge for you is to preserve your innocent, childlike sense of magic and wonder, and to follow your dreams.

*Moon 16th harmonic (5/16) Uranus, very strong (Orb: 0 Deg 19 Min):*

People who do not know you well are unlikely to realize the extent to which you need to feel comfortable and free of burdensome restrictions. It is difficult for you to compromise, and follow the requirements of others, especially if you do not agree with the regulations.

*Mercury 16th harmonic (5/16) Mars, very strong (Orb: 0 Deg 17 Min):*

You have a talent for filtering out extraneous or useless information. You are too impatient to get to the "bottom line" to spend much time listening to what you consider useless information. You have strong opinions and confidence in the subject areas that you have chosen to focus on. Although you have strong views, you may not be argumentative at all because you are so self-assured that you don't need to prove your point to others or convince them that you are correct. You become angry or defiant only if someone tries to interfere with your personal interest and views, and this is not likely to occur very often, if at all.

*Moon 24th harmonic (5/24) Mercury, very strong (Orb: 0 Deg 02 Min):*

You have good aptitude for psychology, anthropology, history, and the other humanities. You prefer subjects with a human or emotional element rather than purely technical ones.

*Jupiter 5th harmonic (biquintile) Saturn, very strong (Orb: 0 Deg 07 Min):*

You are good at rearranging and redesigning things, and finding alternatives that are more efficient and less wasteful.

*Uranus 5th harmonic (biquintile) Neptune, very strong (Orb: 0 Deg 01 Min):*

You appreciate many different kinds of art and music, and you are perceptive and sensitive to subtle and sophisticated creative genius. You appreciate creativity and imagination that has the power to inspire, uplift, or amaze.

*Moon 7th harmonic (biseptile) Neptune, very strong (Orb: 0 Deg 20 Min):*

You have the ability to fully grasp the meanings and messages of myths, legends, and fairy tales. Probably you feel more at home in an ancient or unusual cultural setting than in the domestic environment that you grew up in. An environment that is conducive to a relaxed, meditative, perhaps somewhat mystical, state of mind suits you well.

*Sun 7th harmonic (biseptile) Jupiter, strong (Orb: 0 Deg 47 Min):*

You can succeed through your mature, disciplined approach to achieving goals. You are more inclined to develop a plan for success and carefully follow it rather than gamble or speculate your way to success.

*Mercury 24th harmonic (11/24) Pluto (Orb: 0 Deg 32 Min):*

A key to success in life for you is to specialize in a few areas that interest you and become fully engrossed in them. You are inclined to become fully engrossed in a book or in some activity which interests you, and this can be used to advantage in helping you develop expertise and depth of understanding or excellent technique in the area that you choose to focus on.

*Venus 24th harmonic (11/24) Neptune (Orb: 0 Deg 35 Min):*

You have a strong artistic inclination. You are romantic and sensitive. You seek an element of magic and special beauty in your life and your home environment, and any other place that you stay in for long periods of time probably has a charm, beauty, or unusual quality that reflects your colorful and keen sense of beauty and imagination.

*Sun 5th harmonic (biquintile) Pluto (Orb: 2 Deg 45 Min):*

You have a creative drive that gives you the ability to express yourself with a little extra zip

and impact than most people. You are good at finding creative solutions and you enjoy a contest or competition that requires ingenuity as well as strength or will power. You react effectively when there are surprises and you meet challenges well. You enjoy competitions, either against yourself or against others.

*Moon 5th harmonic (quintile) Mercury (Orb: 2 Deg 58 Min):*

You may have a particularly strong aptitude for, and interest in, mythology or legends. You may also have an interest in anthropology. You find the different ways in which different cultures meet life's challenges very interesting.

*Moon 5th harmonic (biquintile) Saturn (Orb: 2 Deg 56 Min):*

For your full creative powers to develop, you need periods of solitude and reflection. You are not a recluse and you can fare well without solitude but your own unique and individual creative powers are developed through your own individual reflections. Studying the works of masters rather than reading another person's interpretation of the work of a master can also often benefit you. You have the ability to develop new methods and concepts that are useful and practical.

### **MIDPOINTS CONJUNCT/OPPOSITION MIDPOINTS (if there are any with up to a 15 minute orb)**

*Jupiter/Uranus opposition Saturn/Neptune: (Orb: 0 Deg 04 Min):*

Most likely you have some interest in religion, metaphysics, and how people structure and develop their beliefs and ideals. This may be the strongest interest of yours but you do have an aptitude for understanding the collective hopes, ideals, and belief systems of people. You may also have a good insight into fashions, fads, marketing, and economics.

### **DIRECT MIDPOINT STRUCTURES (allowable orb = 1 1/2 degrees)**

*Jupiter Opposition Sun/Neptune 0 deg 51 min*

You like to look at the big picture. You are philosophical, and some people think you are too abstract and too distant from the down-to-earth details of daily living. You succeed in areas where your future-oriented, broad views can bring tangible benefits.

*Venus Conjunct Mercury/Uranus 1 deg 30 min*

You have fast reflexes and a talent for playing musical instruments. You are clever and have a good sense of humor. You succeed in areas that require spontaneity and the ability to quickly solve problems or come up with creative ideas.

*Mars Opposition Mercury/Saturn 1 deg 16 min*

You have a methodical and logical mind, and you also have good mental concentration. An academic path is good for you. You are a good student and are capable of mastering difficult subjects. Your willingness to work hard to understand something makes it possible for you to master difficult subjects that most other people are unwilling to attempt. You do not always grasp an idea as quickly as others, but you tend to be more thorough and once learned, you really understand the material exceptionally well.
